

RAFAEL TORAL

Wave Field 2019 Stage Plan

TECHNICAL REQUIREMENTS

- ▶ 6 PA Top speakers on stands, with power to deliver 110 dB SPL at mixer. Meyer, Nexo, EV, etc.
- ▶ 2 Subwoofers, consistent with the tops
- ▶ 2 DI boxes (or lines for small Mackie mixer balanced jack out)
- ▶ Digital mixer with a minimum of 10 line input channels and 8 bus outputs (wired to the speakers **exactly** as in the diagram).
- ▶ 1 CD player.
- ▶ 1 small table, approx. 1m (3 ft.) wide, besides table surface for mixer.
- ▶ Power outlet under table
- ▶ 1 audio monitor
- ▶ Projection screen, compatible with the room dimensions.
- ▶ Video projector with enough power and definition for bright, detailed projection.
- ▶ Video projection device (Laptop or DVD player, to be agreed which) with tested connections to the projector.
- ▶ Dark room, with eventual soft light on table.

Required time for setup and sound-check: 2 hours.
